

QException

```
graph BT; TeleMedObjException --> QException
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box with a thin gray border containing the text "QException". Below it is a gray rectangular box with a thick black border containing the text "TeleMedObjException". A solid blue arrow points vertically from the top center of the "TeleMedObjException" box to the bottom center of the "QException" box, indicating that TeleMedObjException inherits from QException.
